Experience

Dots Content Distribution Ltd
Front-End Developer
November 2020 – Till Date, Lagos, Nigeria

- Consulted with customers to gather requirements and discuss design choices. Developed designs to meet specific requirements such as quick-loading sites with layouts.
- Designed, implemented, and monitored web pages, plugins, and functionality for continuous improvement.
- Completed full redesigns of existing websites to improve navigation, enhance visuals, and strengthen search engine rankings.
- Collaborate with designers and back-end developers to implement and improve features.
- Worked in an Agile scrum team. Participated in Agile ceremonies. Worked closely with the scrum master to estimate effort of new features.
- Developed functional digital design concepts across web and mobile to strengthen company brand and identity.
- Designed, implemented and monitored web pages, plugins and functionality for continuous improvement.
- Developed site content and graphics by coordinating copywriting, and designing images, icons, banners and enhancements.

Front-End Developer
Sporedust Content Distribution Ltd
March 2018 – December 2018, Lagos, Nigeria.

- Developed code to convert design wireframes into website elements under supervision. Used frameworks for front end development such as React and Ember, and programming languages such as HTML and JavaScript
- Assisted senior Front-End Developers in designing web applications and gained skills in aligning designs with client requirements. Gained experience in resolving conflicts with colleagues professionally.

- Learned to interact with clients, present designs and handle feedback on work. Helped senior workers in debugging their code to improve website performance and user experience
- Collaborated with web designers, backend developers and UX designers to design, build, test and improve web products
- Added to the company database of code by developing reusable code that could minimize the time needed to complete projects in the future.

Web Development Intern
Sporedust Content Distribution Ltd
June 2017 – July 2018, Lagos, Nigeria

- Introduced to Front-End Programming Languages.
- Implemented broad web design and development principles.
- Assist in troubleshooting issues on web-based systems.
- Update and edit website content, posts and pages.
